

CHARLES KENDALL FREIGHT

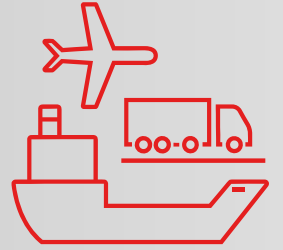

Expert Supply Chain Solutions - A human name on a global scale

the
business
centre

28th Feb – 2nd March 2020
WCA Worldwide | Macao

Introduction

Founded in 1945, Charles Kendall has grown into a global, end-to-end supply chain management group. Our people have decades of specialist experience, which they dedicate to delivering precise and tailored solutions.

- Our services cover the whole supply chain
- We've remained an independent, private, family-owned business
- We have locations in the UK, Europe, Far East, Middle East and USA

Ocean Freight Services UK to NY

Charles Kendall Freight operate a premium LCL service from the UK to the USA every Saturday.

Weekly schedule

Thursday: Cut off for cargo collection and receipt at export receiving depots. Final AMS and ISF submissions are then made. Late receipt of cargo at Manchester depot available upon prior arrangement.

Friday: Containers loaded and sealed and manifest is sent to our New York office.

Monday / Tuesday: Vessel departs UK. Pre-alerts are sent to consignees advising them of arrivals.

Wednesday: Documents are received in New Jersey and dispensed to brokers and forwarders for processing.

The following Tuesday: Scheduled arrival.

Asia Pacific

Cross Border

- Run LCL and FCL services, collecting from the majority of cities in China
- Service coverage: Vietnam, Thailand, Laos and Cambodia
- Weekly running service
- 1 day transit from South China to Hanoi
- Fast and safe

Rail Service
